

Ubank welcomes a new Chief Operating Officer

December 2011

Bungane Radebe joined the Ubank team as the Chief Operating Officer at the beginning of December 2011. His key role within the bank will be to manage the day-to-day operational activities of the business.

Bungane is a dynamic and focused individual who brings with him a wealth of experience and expertise gained within the banking, telecommunications and FMCG sectors. In addition, his knack for innovative strategy development and business transformation are crucial elements which will play an important role in the development and growth of the Bank.
